BBBSO Expands into La Pine!

Brothers Big Sisters of Central Oregon (BBBSO) is celebrating their 25th year of defending potential in our region by expanding into the La Pine community. Their plan includes matching 20 local “Littles,” kids who can use a positive role model, with Big Brothers or Big Sisters. The organization has met with La Pine Mayor Daniel Richer, presented to the Sunriver/ La Pine Rotary, and is reaching out to local businesses in hopes of finding sponsors to help cover the cost of these new matches.

Littles may come from single parent/ guardian homes, need extra help with homework, or struggle with self-esteem. Several studies have shown that mentoring is linked to improved academic, social, and economic futures. Children perform better in school and make better choices when they know someone cares and is paying attention. The community benefits as a whole when its youth are making better choices. This program is not only about LaPinians igniting potential in their youth, but also working together to build a brighter future within their own community.

Their own life experiences and the willingness to improve a kid’s life are what qualify mentors to be Big Brothers or Big Sisters. Matches are made based on interests and the sorts of activities the potential Big and Little enjoy. Kids and mentors in the program come from a variety of backgrounds. What activities they share, from mountain biking, to fixing an old car, to playing board games, matters less than the time spent together.

If you have a child who could benefit from a mentor, would like to become a Big and make a difference, or have a business who would like to sponsor a match, contact Bridget Albert at balbert@bbbsco.org or 541-312-6047. For further information, visit www.bbbsco.org.

A NEW FACE AT BBBSCO!

Welcome to the newest member of the BBBSCO family! Genevieve Bouche will be helping with enrollment and match support, which will allow us to serve more children in our community. Although Genevieve is new to our organization, she is no stranger. For the past ten years she has been Facility Manager for the Deschutes Children's Foundation and welcomed all of us each morning with a big smile. Genevieve earned two Bachelor Degrees and has her Masters in Environmental Engineering. In her spare time, she is a Yoga instructor and is studying Trauma Sensitive Yoga to help alleviate life's trauma to children and adults. Genevieve wants every young person to have a positive influence in their life and by working at BBBSCO, she can do her part to make that happen.

Welcome New Advisory Council Members!

The BBBSCO Advisory Council assists the program by establishing and implementing our strategic plan, aiding in resource and program development, along with many other integral roles that allow the program to be successful. We are grateful to all of our AC Members who donate their time and resources to defend the potential of local youth!

We would like to welcome three new AC Members to our team!
